Descriptions of the Cooperative Research Project – **maximum 3 pages**

(✕) Please mention about the status of Research Leader in counter-part country. For example, if he/she has applied for, or has support from any funding in his/her country, please describe the name of funding, the outline, and other references. If you have an application of counter-part Research Leader, please attach its copy to this application. (Note: should include expected outcome of the project and necessity to implement proposed research or survey urgently.)

The description must include the following two key items.

- Urgency of implementing the proposed project
- Necessity/effectiveness of implementing the proposed project as an international cooperative research project.
