## YAKSHA

Cybersecurity Awareness and Knowledge  
Systemic High-level Application

**Are you a cybersecurity expert, governmental organisation, corporation, SME or another type of organisation based in ASEAN?**

**Would you like to improve the security of your organisation / country through an innovative tool?**

**If so, join the final free online end-user event to find out more and to get involved!**

**Please register by [CLICKING HERE!](#)**

**Registration through Eventbrite is obligatory, and attendance is free of charge – Limited places available!**

Funded under the European Commission (EC), [YAKSHA project](#) aims to reinforce European Union (EU) and Association of South East Asian Nations (ASEAN) cooperation in the Cybersecurity domain by developing an **innovative cybersecurity software**.

The Final end-user event that takes place online on the **9 December 2020** will:

- Present the unique value proposition of the YAKSHA software
- Provide a deep-dive into the technical aspects of the software
- Show results from the pilot actions in ASEAN and Europe
- Engage participants and YAKSHA Ambassadors in exciting panel discussions on the future exploitation, market uptake and alternative use of the software
- Speeches from key experts in the field of cybersecurity from Europe and ASEAN, such as StAG from Italy, VTT from Finland, NSTDA from Thailand

Participation is open to organisations active in ASEAN interested in improving cybersecurity and European organisations willing to expand to ASEAN. The event will start at the following time depending on your time zone and will last four hours:

- 14:00 – 18:00 UTC +7 e.g. Thailand, Vietnam, Cambodia, Laos, Indonesia (West)
- 15:00 – 19:00 UTC +8 e.g. Malaysia, Singapore, Philippines, Brunei, Indonesia (Central)
- 08:00 – 12:00 UTC +1 Central Europe

We will send you a webinar link to join prior to the webinar. Please find the draft agenda [here](#) and the official news [here](#).
