2019

木を見て森を見ず  
机上の空論  
随より始めよ  
屋上屋を築す  
燕雀安んぞ鴻鵠の志を知らんや  
一葉落ちて天下の秋を知る  
悪貨は良貨を駆逐する  
破竹の勢い  
背水の陣  
肉を切らせて骨を断つ  
彼を知り己をしれば百戦殆うからず  
雄雄を決する  
柔よく剛を制す  
先んずれば人を制す

Sometime may have  
some difficult to  
understand about  
Japanese language  
but working on  
multiple culture  
environment must  
have time to adapt as  
well

Most strongest point is Japanese people  
who have patience and courage even at  
the most difficult times, pay more  
attention to efficient time management,  
are disciplined and respect the rules and  
Politeness

An aerial photograph of a dense urban landscape, likely Tokyo, featuring a mix of modern glass skyscrapers and older, more colorful residential buildings. A large, irregular green shape is superimposed over the center of the image, serving as a background for the text.

# Thank You

A wonderful serenity has taken possession  
of my entire soul
