## Kuwait Science Club

in collaboration with the  
International Exhibition of Inventions of Geneva.

under the Patronage of  
His Highness the Emir of Kuwait  
Sheikh Sabah Al-Ahmad Al-Jaber Al-Sabah

is proudly hosting the  
10th International Invention Fair in the Middle East  
From January 29 2018 – February 01 2018

This unique convention in the Middle East was received with great importance locally, regionally, and internationally. It highlighted the inventions, innovations and creativity of youths. The convention also promoted Kuwait's modernity and its role in encouraging and supporting the inventors and participants in this public service.

The convention will host many activities, including displaying the various innovative ideas or inventions, and competitions for best inventions to be judged by a highly competent panel. The convention will also award valuable prizes for top inventions.

### Package Registration Fees:

Early registration \$750 ends on 15/12/2017

Late registration \$1000 starts on 16/12/2017
